The pharmacy that sold this medicine

Subject: Refund or replacement: Paracetamol Tablets IP 650mg, batch FT5427, failed CDSCO quality test (July 2026 alert, row 12)

Dear Sir or Madam,

I bought Paracetamol Tablets IP 650mg, made by Forgo Pharmaceuticals (batch FT5427), on 12 July 2026.

This batch is listed in the CDSCO Not of Standard Quality alert for July 2026, row 12, published on 1 July 2026 by the Central Drugs Standard Control Organisation (CDSCO): its list of drugs that failed a quality test. The listed result reads: "The sample does not conforms to the I.P. with respect to Dissolution Test" (tested by DTL Bikaner). The notice is published at <https://cdsconline.gov.in/CDSCO/viewPublicNSQDrug>.

I bought it on 12 July 2026, 11 days after the notice was published on 1 July 2026. Selling goods after they have been publicly identified as not of standard quality may amount to a deficiency in service or an unfair trade practice under the Consumer Protection Act, 2019.

I request a refund or a replacement. Please reply in writing within 15 days of receiving this letter.

A copy of the notice as published is kept by RecallIndia under reference case-20260919203956-f2609d, in write-once storage and digitally signed, and can be produced on request.

Yours faithfully,

The purchaser

Prepared with RecallIndia, reference case-20260919203956-f2609d
